

Welcome to Emile's Spelling Scheme

We've worked long and hard putting this together with the excellent help of academics, teachers and students across the country. We really hope you and your students enjoy using this Scheme of Work and always welcome feedback - hello@emile-education.co.uk.

The scheme thoroughly covers appendix 1 of the national curriculum in England and more.

Emphasis has been placed on the etymology and the morphology of words in key stage 2 by teaching words in groups with similar roots. We return to principles met in phonics in all age groups linking the earlier learning with potentially new content even in year 6.

Year 1 has been broken down into 41 lists of words (approx. 12 words in each list). Each list does not presume earlier knowledge and so can be delivered in any order.

Years 2-6 have been broken down into 6 half terms, nearly all of which have 12 spelling lists. Again, none of the supporting documents presume learning from previous lessons and so can be delivered in any order.

End of term spelling assessments can be set for students by teachers in the Emile teacher portal [here](#).

Emile App:

The Emile app for students can be downloaded [here](#). Students receive a username and password from their teachers. If you need help, please contact us: hello@emile-education.co.uk.

The student app has many ways with which students can interact from learning gap analysis, student assessments, school competitions or reward play. We always recommend booking [an online walkthrough](#).

Emile Student Codes:

For each set of words, a list of student codes are listed which pupils can enter into the app to be taken directly to the corresponding game/activity. Teachers will automatically receive an email the following morning with their students' results.

The codes are in the format for year 1 of SY1L23P. The 'S' indicates spelling, 'Y1' – year 1, 'L23' here means list 23 and 'P' that it's a practise game. For the other school years, the codes are in the format: SY5T1AW5L – 'S' spelling, 'Y5' – year 5, 'T1A' – term 1A, 'W5' – Week 5 and 'L' – learn game.

Emile Supporting Documents:

For each week, there are corresponding powerpoints, word searches, word lists and cover/write to help support teachers. These can be found [here](#).

Consolidation Weeks:

On consolidation weeks, we recommend running Class Battles to help embed the word lists from the previous 6 weeks. This will confirm which spelling rules have been learnt thoroughly and which may need a revisit.

Interventions:

Use of the app over a weekend will usually result in a learning gap analysis being generated for each student, allowing teachers to target weaknesses. The gap analysis can be found in the teacher portal [here](#). This is great information that allows intervention activities to target weaknesses rather than simply reteaching spelling rules.

Weekly spelling tests:

Weekly spelling tests can be replaced by Class Battles, removing the need for marking with the results being accessible, printable and downloadable. Again, Class Battles can be set by teachers in the teacher portal [here](#).
