- Using new, high-quality books.

We use assessment to match your child the right level of book

Reading a book at the right level

This means that your child should:

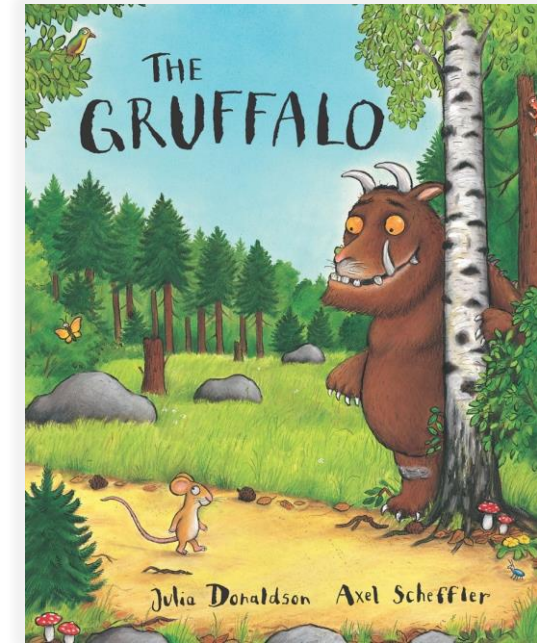

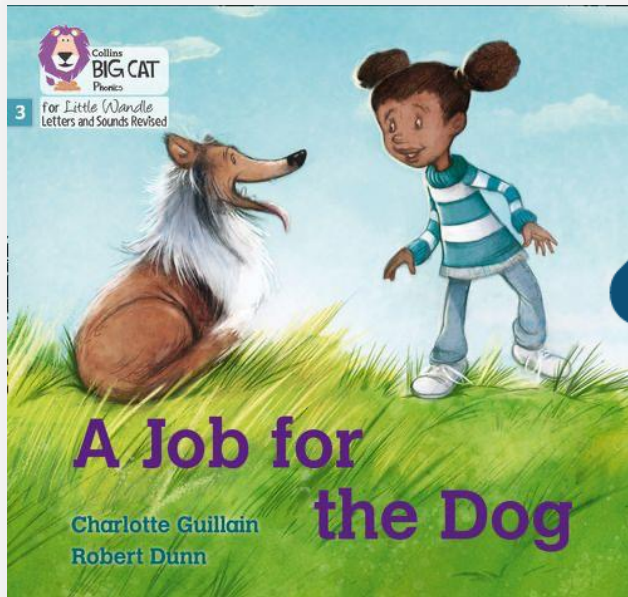

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head) – their reading will be automatic
- Only need to stop and sound out about 5% of the words by the time they bring the book home – but they should be able to do this on their own.
